ID Number	Name	Frequency	Data providers definition	Receipt deadline	Electronic data provision	Description of data categories
2	1321 Energy balance, industry	Annual	Mining (NACE Division 05 07-09) Manufacturing (NACE Division 10-18 20 33) Water supply; sewerage, waste management and remediation activities (NACE Division 36-39) observation units Construction (NACE Division 41-43)	15th April following the reference year	MEKH (HEA) Statistical Information Database	(1) Data of energy consumption; (2) Data of energy production; (3) Data of energy stocks; (4) Data of heat sold by industry sector; (5) Electricity and heat production by technology; (6) Data of petrochemical industry; (7) Data of energy efficiency.
3	1329 Monthly energy statistics	Monthly	Economic organisations companies and other legal entities operating in the field of coal mining and extraction, trade, manufacture of briquette and coke, supply of electricity crude oil and natural gas or other fuel, import or export energy products	10th day following the reference period	MEKH (HEA) Statistical Information Database	(1) Coal mines, data of coal-fired power plant; (2) Coke production; (3) Briquette production; (4) Stock level; (5) Purchase, sales, stocks of energy carriers; (6) Power plant petroleum products flow; (7) Data of natural gas production; (8) Data of natural gas stocks; (9) Data of transport fuels containing biofuels; (10) Data of biofuels flow; (11) Data of crude oil and NGL production.
4	1335 Survey on energy use	Annual	1.) Entities classified to G I J K L M N O P Q R S sections observation units 2.) Entities classified to section A (agriculture, forestry and fishing) observation units 3.) Entities classified to section H (transportation and storage) observation units	1.) 30th April following the reference year 2., 3): 31st March following the reference year	MEKH (HEA) Statistical Information Database	(1) Energy use of communal and tertiary sector by purpose: for heating, cooling of building, lighting, vehicles (road), electricity production, other; data of energy efficiency; (2) Energy consumption of agriculture by purpose: for activity of agriculture, forestry, fishing, electricity production, other; (3) Delivery and storage by purpose: for kind of delivery and other; (4) Combined heat and power; (5) Data of biomass consumption.
5	2221 Energy balance of energy sector, energy commodities	Annual	1.) Economic organisation dealing with production, stock holding, trading inland and abroad, transformation of energy carrier, electricity production, district heating production and supply; 2.) Economic organisation dealing with distribution, transmitting of electricity, natural gas; supply of propan-butane gas	31st March following the reference year	MEKH (HEA) Statistical Information Database	(1) Data of flow of energy carriers: Production (by technology), transformation, product transfer, use up, trade, stocks of energy carriers; (2) Inland sales broke down major national economy sector and county; (3) Nuclear energy statistics; (4) Delivering of electricity, natural gas, piped Pb-gas to final consumers; (5) Data of District heating; (6) District cooling; (7) Data of primary energy transformation factor; (8) Capacity of refinery; (9) Infrastructure capable of biofuel production and refinement.
6	2261 Crude oil and petroleum products flows	Monthly	Economic entities dealing with the supply storage inland and foreign trade of crude oil and petroleum products	20th day following the reference period	MEKH (HEA) Statistical Information Database	(1) Supply of crude oil, Data of NGL, refinery feedstock, additives, oxygenates, other hydrocarbons; (2) Data of supply of crude oil, NGL, refinery feedstocks, additives and other hydrocarbons; (3) Data of flow and supply of crude oil finished product; (4) Data of crude oil finished product import; (5) Data of crude oil finished product export; (6) Data of stocks of crude oil finished product; (7) Closing stocks of crude oil and secondary oil product held for other countries under official agreement, by beneficiary and of which held by tickets; (8) Closing stocks of crude oil and secondary oil product held abroad under official agreement, by location; (9) Closing stocks of crude oil and secondary oil product held abroad under official agreement of which held as stock tickets, by location; (10) emergency stocks-closing stocks held abroad of which pursuant to government/CSE delegation, by location; (11) Closing stocks of crude oil and secondary oil product held abroad designated definitely for import into your country, by location; (12) Monthly crude oil import and domestic production quantity, price, CIF price, API gravity by origin and by type; (13) Inland purchase of biofuels; (14) Data of natural gas production.
7	2437 Consumer prices of petroleum products	Weekly	Companies with a market share of domestic consumption.	10 AM following the reference period	MEKH (HEA) Statistical Information Database	(1) Fuel used for road transport and fuel oil used for industry.
8	2572 Data of heat pumps sales	Annual	Entities dealing with heat pump distribution	30th April following the reference year	MEKH (HEA) Statistical Information Database	(1) Data of heat pumps sales in the reference year.
