

Concentration in the business economy

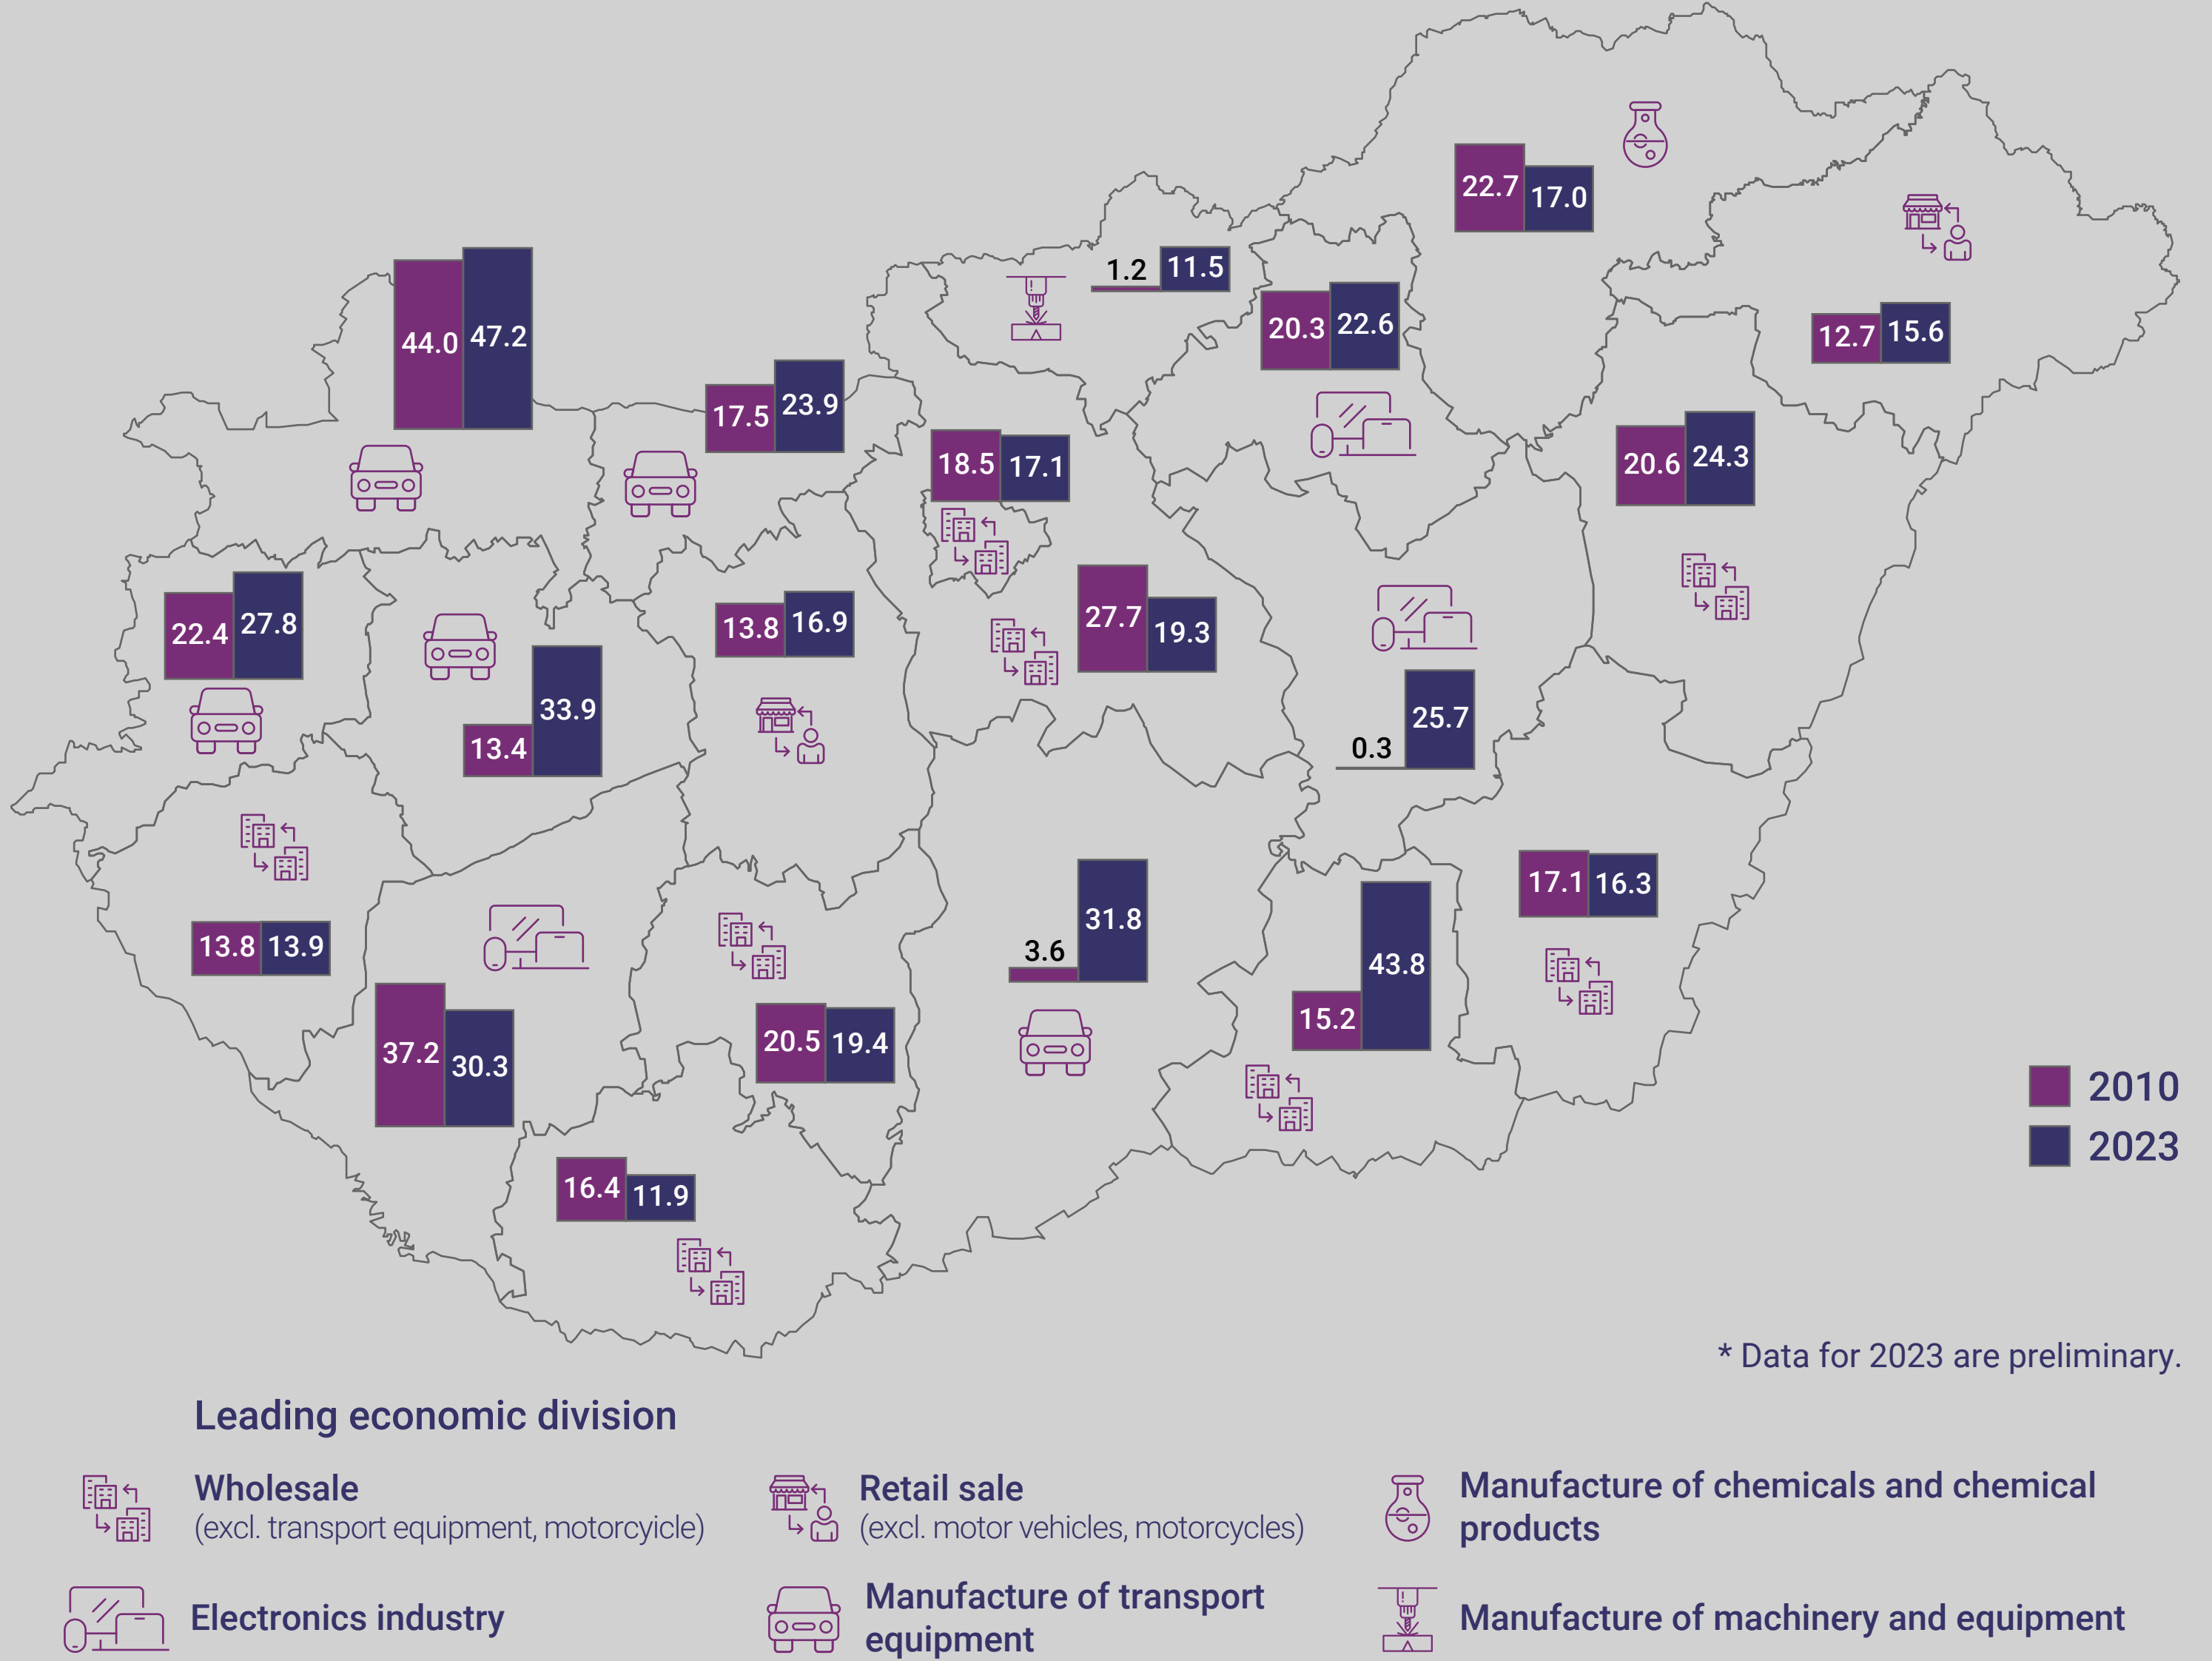

Weight of the TOP 5 enterprises, key sectors and foreign control in the Hungarian economy

Share of the top 5 enterprises in sales revenue by counties*, and the enterprise with the highest turnover**, 2023

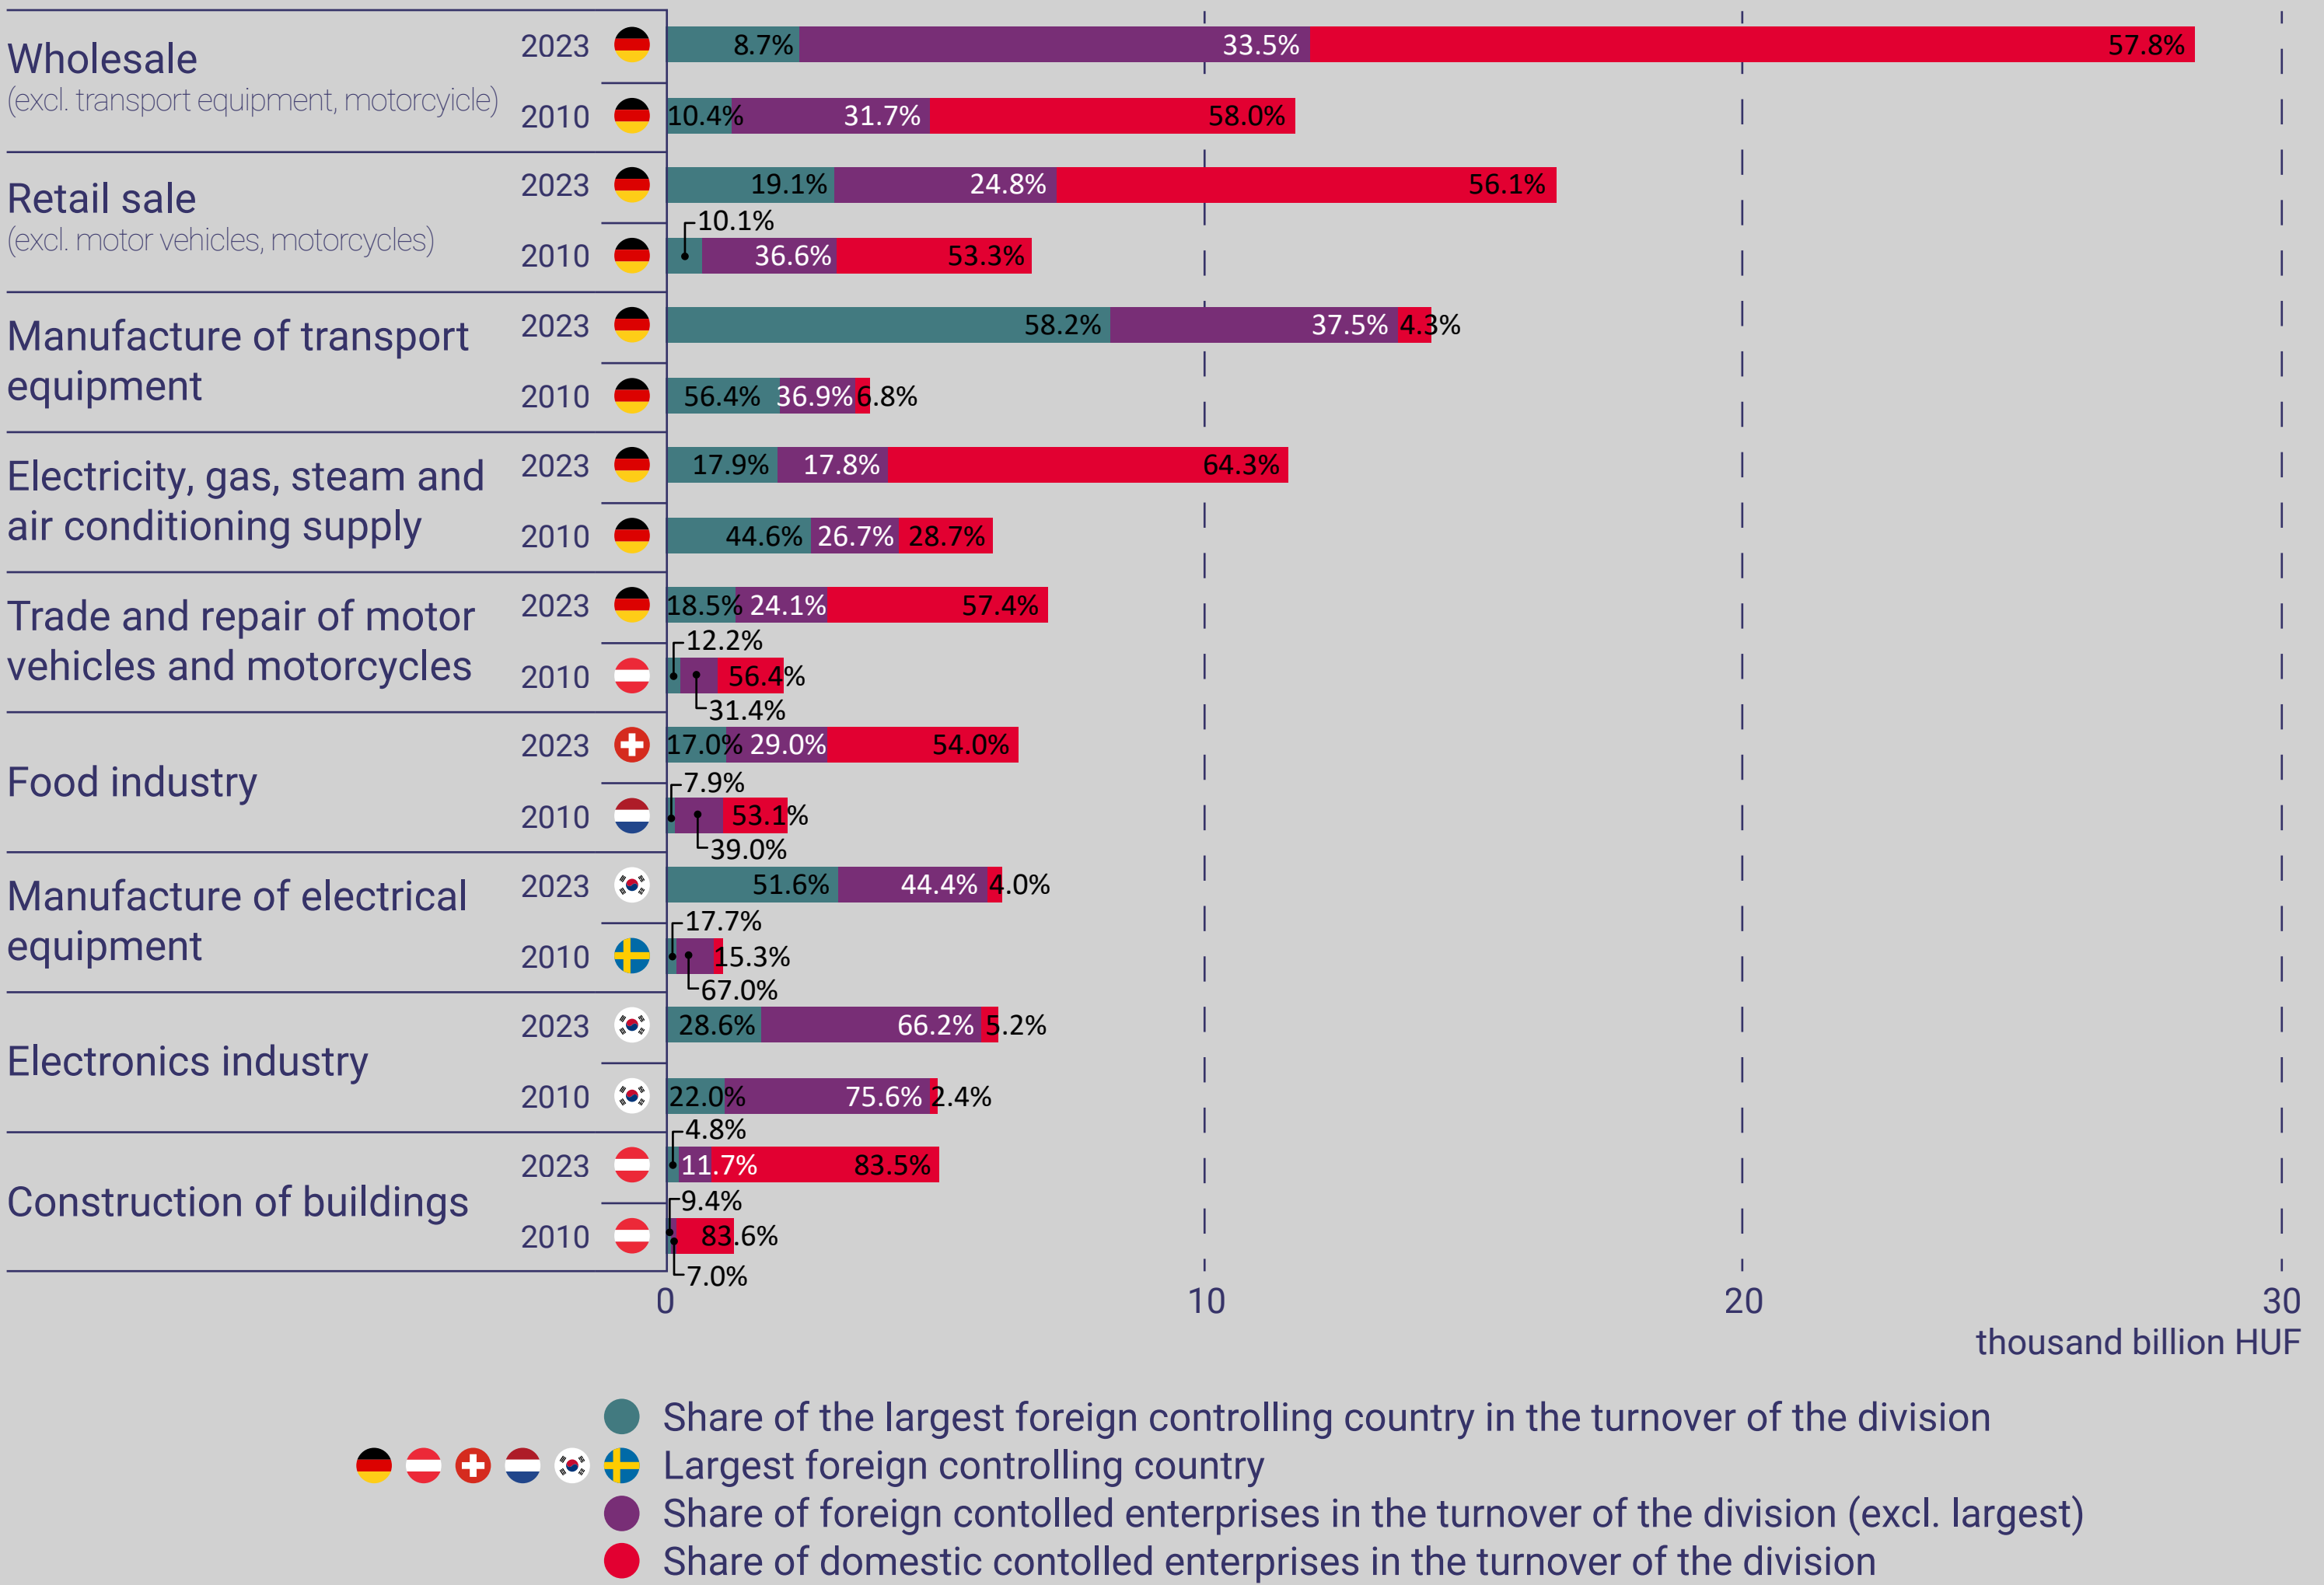

The concentration of sales revenue in Heves, Győr-Moson-Sopron and Borsod-Abaúj-Zemplén counties was the highest, where more than 40% of the total turnover of the county was generated by the 5 largest enterprises in 2023.

Proportion of the greatest weight representing division in turnover by counties, %*

Wholesale provided on national level 16% of total sales revenue in 2023, followed by retail sale (9.1%) and the manufacture of transport equipment (7.8%).

Foreign presence in regard to the 10 highest turnover achieving divisions*

Foreign share in turnover, among the highest sales revenue achieving divisions, decreased substantially only in the energy industry, due to ownership restructuring. The share of sales revenue of foreign companies surpasses 90% in the manufacture of motor vehicles, trailers and semi-trailers, in the manufacture of electrical equipment and in the manufacture of computer, electronic and optical products.
